

Division I

Division I

Prof. Dr. Doris Wedlich

Biology, Chemistry, and Process Engineering

Biology, Chemistry, and Process Engineering				
Botanical Institute (BOTANIK)	Engler-Bunte Institute (EBI)	Helmholtz Institute Ulm (HIU)	Institute for Applied Biosciences (IAB)	Institute for Inorganic Chemistry (AOC)
Institute for Biological Interfaces (IBG)	Institute of Process Engineering in Life Sciences (BLT)	Institute of Chemical Process Engineering (CVT)	Institute of Functional Interfaces (IFG)	Institute of Catalysis Research and Technology (IKFT)
Institute for Mechanical Process Engineering and Mechanics (MVM)	Institute for Micro Process Engineering (IMVT)	Institute of Organic Chemistry (IOC)	Institute of Physical Chemistry (IPC)	Institute for Technical Chemistry (ITC)
Institute for Chemical Technology and Polymer Chemistry (ITCP)	Institute for Technical Thermodynamics and Refrigeration (ITTK)	Institute of Thermal Process Engineering (TVT)	Institute of Toxicology and Genetics (ITG)	Zoological Institute (ZOO)

KIT Department of Chemical and Process Engineering

KIT Department of Chemistry and Biosciences

Helmholtz Programme BioInterfaces in Technology and Medicine (BIFTM)
