The Venture Fest is organized by the KIT Founders Forge to support students and employees of KIT in implementing their business ideas. (Photo: IMA, KIT)

The KIT Venture Fest on Tuesday, July 01, 2014, will be organized by the Karlsruhe Institute of Technology (KIT) for all persons, who are interested in establishing a company or who wish to inform themselves about entrepreneurship at KIT. From 10 to 22 hrs, seminars, workshops, network meetings, open spaces, visits, and startup pitches will take place on Campus South and Campus North. The Venture Fest is aimed at bringing together founders and people interested in establishing an own enterprise, exchanging experience, and further strengthening entrepreneurial culture at KIT. Representatives of the media are cordially invited.
