

Girls' Day 2016: Studies and Vocational Training at KIT

Information Day with about 40 Workshops, Guided Tours, and Presentations – Registrations Are still Possible

First-hand experience of science and technology: On the Girls' Day 2016, employees of KIT will present their professions. (Photo: Gabi Zachmann, KIT)

On Thursday, April 28, 2016, female pupils from class 5 or higher of all schools are invited to take a look at technical and scientific professions and studies programs of Karlsruhe Institute of Technology (KIT). During about 40 workshops, guided tours, and presentations, employees working on KIT's Campus North and Campus South will present their work and invite the girls to take part.
