

## Moving Pictures, Secret Messages, and a Travel through Space and Time

2016 KIT Children's University to Start on August 2 – Ten Lectures and Children's University Campus with Interactive Workshops

Science and research will be presented to pupils aged between 7 and 14 years by KIT's children's university. (Photo: Manuel Balzer, KIT)

**Summer holidays and children's university belong together – on August 2, 2016, it will happen again: The children's university of Karlsruhe Institute of Technology (KIT) will start with an exciting kick-off fair. Until August 18, ten lectures, a closing ceremony, and a children's university campus with freely accessible interactive workshops will be presented. The lectures will be organized in the Audimax of KIT (Straße am Forum 1, 76131 Karlsruhe) for pupils aged from 7 to 14. Entrance tickets for the lectures and the closing ceremony are now available for presale and will also be available at the venue.**
