

Information Day on Studies at KIT

“Uni für Einsteiger“ with Lectures, Workshops, and Guided Tours on November 18 – Information on Study Programs and Training Options

On November 16, 2016, pupils can inform themselves about research, education, and vocational training at KIT. (Photo: Eva Pailer)

During the event “Uni für Einsteiger” (university for students-to-be), pupils are invited to inform themselves about studies and vocational training programs at Karlsruhe Institute of Technology (KIT) on Wednesday, November 16, 2016, from 8.30 a.m. The institutes and central facilities of KIT will present themselves at about 150 events. In addition, questions may be asked to KIT staff at information booths in the entrance hall of the Audimax (Straße am Forum 1, building 30.95).

Karlsruhe Institute of Technology (KIT) pools its three core tasks of research, higher education, and innovation in a mission. With about 9,300 employees and 25,000 students, KIT is one of the big institutions of research and higher education in natural sciences and engineering in Europe.

KIT – The Research University in the Helmholtz Association

Since 2010, the KIT has been certified as a family-friendly university.
