KIT Career Fair with 250 Companies

Regional, National, and International Employers Present Themselves on KIT Campus South – Framework Program with Short Presentations, Lectures, Check of Application Documents, and Photo Shootings

Meeting point for students and companies: The KIT Career Fair. (Photo: Farima Nari-

Meeting potential employers and establishing first contacts: This can be done at the fifth Career Fair at Karlsruhe Institute of Technology (KIT) for students, graduates, and postgraduates of KIT and other universities. From May 16 to 18, 2017, about 250 companies will present themselves on the forum of KIT Campus South (Straße am Forum 1).

[…] The framework program can be downloaded at www.karriere-
messe.kit.edu/english/.

Karlsruhe Institute of Technology (KIT) pools its three core tasks of research, higher education, and innovation in a mission. With about 9,300 employees and 25,000 students, KIT is one of the big institutions of research and higher education in natural sciences and engineering in Europe.

KIT – The Research University in the Helmholtz Association
