KIT Starts Application Phase for the Next Winter Semester

Early Application Recommended – Wide Range of Local and Online Support Services Available

The online application portal for applicants for the 2017/18 winter semester at Karlsruhe Institute of Technology (KIT) is now open. And even those who do not yet have their Abitur certificate are invited to look around, to get advice, and to prepare their applications. Currently, about 26,000 students are enrolled at the eleven KIT Departments.

Information for international applicants interested in degree-seeking studies, PhD, internship, Erasmus or overseas exchange at KIT (in English): http://www.intl.kit.edu/istudies/index.php

Karlsruhe Institute of Technology (KIT) pools its three core tasks of research, higher education, and innovation in a mission. With about 9,300 employees and 25,000 students, KIT is one of the big institutions of research and higher education in natural sciences and engineering in Europe.

KIT – The Research University in the Helmholtz Association

Since 2010, the KIT has been certified as a family-friendly university.
