

Young Investigator Group Preparation Program

Application Form

Please fill out the application form completely and truthfully. Then attach the completed document to your application. **Please note that your application is only accepted if you fill out the application form completely.**

Personal Information

MR

MS/MRS

MX

Title:

Last name:

First name:

Middle name:

Date of Birth:

(DD/MM/YYYY)

Place of Birth:

City/Country

Nationality:

Current Address:

Email:

Children

Yes

No

- If yes, how many of your children were born since the start of your PhD/Doctorate?

- Were you involved in extensive childcare (e.g. taking parental leave, part-time work instead of full time employment)?

Yes

No

Education

1. PhD/Dissertation

Date of doctorate

(as stated in your certificate): DD/MM/YYYY

(In case you have not received your certificate yet, please attach a letter (scan) by the doctoral supervisor stating the expected date of your doctorate.)

University/Research institute:

Grade of doctorate:

Field of doctorate:

Topic of doctorate:

2. Current Occupation

Research institute / University:

Location:

City/ Country

Position:

3. Research and awards

Main field of research:

Number of peer-reviewed
publications:

From there as first author:

Three most important publications:

1.

2.

3.

Conference contributions:

Number
of posters:

Number
of talks:

Awards:

4. International Experience

By substantial international experience we mean at least one phase of 6 or more months abroad after your degree (Master, Bachelor).

Do you have substantial international experience ?

Yes

No

[Details on targeted Junior Research Group](#)

Topic/Title of research idea for the YIG Prep Pro:

Targeted Junior Research Groups (please indicate at least one funding instrument for a junior research group you would like to apply for within the YIG Prep Pro):

Helmholtz Young Investigator Groups, Helmholtz Association
Emmy Noether Programme, German Research Foundation (DFG)
Starting Grant, European Research Council (ERC)
Junior Research Groups of Federal Ministries (e.g. Federal Ministry of Education and Research (BMBF))
Others:

Details on YIG Prep Pro

Which YIG Prep Pro fellowship option do you apply for?

Please note: a change of option after the application process is not possible. If you are unsure, which option is best for you, please contact us: yigpreppro@peba.kit.edu

YIG Prep Pro funded fellowship
YIG Prep Pro remote fellowship
YIG Prep Pro fellowship for KIT postdocs

How did you find out about the YIG Prep Pro?

YIG Prep Pro website / KIT website
(career) fair e.g. GAIN, ECF, others
Research Gate
Personal contact within KIT
Other:

Cooperating institutes at KIT (order by priority)

Please indicate at least one institute with a contact person at KIT that matches your research idea and that could also be a suitable host institute for preparing and establishing your junior research group (institutes at KIT: <http://www.kit.edu/kit/english/institutes.php>). We strongly recommend that you contact the head of the institute you are interested in before you apply to discuss your options.

Please list here the institute(s) you are interested in according to your priorities:

1. Institute at KIT:

contact person:

I've already contacted the institute and discussed the YIG Prep Pro.

Yes

No

2. Institute at KIT:

contact person:

I've already contacted the institute and discussed the YIG Prep Pro.

Yes

No

Declaration

I hereby declare that my considerations regarding the "ethical self-assessment" of my planned research idea leave no doubt about its ethical correctness (e.g. Dual Use, animal testing).

Yes

No

I am aware that within the YIG Prep Pro I have to submit at least one application for a Junior Research Group with host institution KIT.

I hereby assure that the above information is true and correct.

Please attach the following documents as one PDF to your application email to yigprepro@peba.kit.edu (for more detailed information please check the website <https://www.kit.edu/research/yig-prep-pro.php>):

- Application Form
- CV in tabular form
- List of publications
- Brief outline of your research idea
- Certificates
