

Division III

Division III
Prof. h.c. Dr.-Ing. Joachim Knebel
Mechanical and Electrical Engineering

Institute of Electrical Engineering (ETI)	Institute of Electric Energy Systems and High-Voltage Engineering (IEH)	Institute for Automation and Applied Informatics (IAI)	Institute for Applied Materials (IAM)	Institute for Human and Industrial Engineering (IFAB)
Institute of Biomedical Engineering (IBT)	Institute for Pulsed Power and Microwave Technology (IHM)	Institute of Vehicle System Technology (FAST)	Institute for Materials Handling and Logistics (IFL)	Institute for Applied ThermoFluidics (IATF)
Institut für Hochfrequenztechnik und Elektronik (IHE)	Institute of Measurement and Control with Machine Laboratory (MRT)	Institute of Industrial Information Technology (IIIT)	Institute for Information Management in Engineering (IMI)	Institut für Thermische Energietechnik und Sicherheit (ITES)
Institut für Kolbenmaschinen (IFKM)	Institute for Nuclear Waste Disposal (INE)	Institute of Micro- and Nanoelectronic Systems (IMS)	Institute of Microstructure Technology (IMT)	Communications Engineering Lab (CEL)
Institute for Neutron Physics and Reactor Technology (INR)	Institute of Fluid Mechanics (ISTM)	Institute of Photonics and Quantum Electronics (IPQ)	Institute of Product Engineering (IPEK)	Institute of Production Science (WBK)
Institute for Control Systems (IRS)		Institute for Information Processing Technologies (ITIV)	Institute of Engineering Mechanics (ITM)	Institute for Technical Physics (ITEP)
Institute of Technical Thermodynamics (ITT)		Institute of Thermal Turbomachines (ITS)	Light Technology Institute (LTI)	

KIT Department
of Electrical Engineering and Information Technology

KIT Department
of Mechanical Engineering

Helmholtz Programme
Nuclear Fusion (FUSION)

Helmholtz Programme
Nuclear Waste Management and Safety as well as Radiation Research (NUSAFE)

Helmholtz Programme
Storage Systems and Cross-linked Infrastructures (SCI)
