

# Young Investigator Group Preparation Program

## Application Form

**Important:** Your application will be considered only if this form is fully completed and the finalized document is attached to your submission.

### Personal Information

---

Title:

Firstname:

Lastname:

Nationality:

Do you have children?    Yes      No

- If yes, how many of your children have been born since you began your PhD?
- Did you have intensive caregiving responsibilities during your PhD (e.g., parental leave, part-time work)?

*Parental leave and part-time work are taken into account when calculating your academic age. Applicants for Junior Research Groups must provide corresponding documentation.*

### PhD/Dissertation

---

Date of doctorate:

as stated in your certificate

University/Research institute:

Grade of doctorate:

Field of doctorate:

Topic of doctorate:

### KIT-Research Foci & Emerging Fields

---

- ☐ Atmospheric Change and Future Cities
- ☐ Chemical and Electrochemical Energy Storage
- ☐ Elementary Particle and Astroparticle Physics
- ☐ Engineering Trustworthy and Embodies AI Systems
- ☐ Health Technologies
- ☐ Mathematics in Science, Engineering and Economics
- ☐ Nanomaterials
- ☐ Quantum Technologies
- ☐ Others

## International Experience

---

Do you have substantial international experience ( $\geq 6$  months abroad after your degree)?

Yes      No

*"Substantial" means at least one stay of six months or longer abroad after completing your Bachelor or Master.*

## Details on targeted Junior Research Group

---

Topic/Title of research idea for the YIG Prep Pro:

## Cooperation institutes at KIT (order by priority)

---

Please indicate at least one institute with a contact person at KIT that matches your research idea and that could also be a suitable host institute for preparing and establishing your junior research group ([list of institutes at KIT](#), [Scientific Computing Center \(SCC\)](#)).

We strongly recommend that you contact the head of the institute you are interested in before you apply to discuss your options.

Please list here the institute(s) you are interested in according to your priorities:

1. Institute at KIT:

Contact person:

I've already contacted the institute and discussed the YIG Prep Pro.      Yes      No

2. Institute at KIT:

Contact person:

I've already contacted the institute and discussed the YIG Prep Pro.      Yes      No

## Declaration

---

☐ I hereby declare that my considerations regarding the "ethical self-assessment" of my planned research idea leave no doubt about its ethical correctness (e.g. Dual Use, animal testing).

☐ I am aware that within the YIG Prep Pro I have to submit at least one application for a Junior Research Group with host institution KIT.
