The scholarship holders will receive EUR 300 per month for a period of one year. The Federal Ministry of Education and Research (BMBF) as well as private companies and persons are funding the scholarships at a ratio of 50 to 50. With 202 scholarship donations acquired, Karlsruhe Institute of Technology (KIT) has reached the funding quota of one percent required by BMBF. At a celebration with the donors yesterday evening, the students were handed over their scholarship certificates.
