

Girls Day at KIT: Best Prospects for Young Women

40 Workshops on Studies and Vocational Training – Registrations Are Welcome

Studies or vocational training: KIT will provide information about professional perspectives on the Girls Day. (Photo: Markus Breig, KIT)

Female pupils will be informed about study programs and recognized professions on the Girls Day 2013 on Thursday, April 25, at Karlsruhe Institute of Technology (KIT). In 40 workshops, guided tours, and presentations, scientists on KIT Campuses South and North will provide information on professional perspectives above all in the areas of mathematics, informatics, natural sciences, and engineering.
