

Day for Information About Studies at KIT

**“Uni für Einsteiger“ with Lectures, Workshops, and Guided Tours on November 18 –
Information on Study Programs and Training Options**

On November 18, 2015, pupils can inform themselves about research, education, and vocational training at KIT. (Photo: Emanuel Jöbstl, KIT)

During the event “Uni für Einsteiger” (university for students-to-be), pupils are invited to inform themselves about studies and vocational training programs at Karlsruhe Institute of Technology (KIT) on Wednesday, November 18, 2015, from 8.30 a.m. The institutes and central facilities of KIT will present themselves at about 150 events. In addition, questions may be asked to KIT staff at information booths in the entrance hall of the Audimax (Straße am Forum 1, building 30.95).

[...]

Karlsruhe Institute of Technology (KIT) is a public corporation pursuing the tasks of a Baden-Wuerttemberg state university and of a national research center of the Helmholtz Association. The KIT mission combines the three core tasks of research, higher education, and innovation. With about 9,400 employees and 24,500 students, KIT is one of the big institutions of research and higher education in natural sciences and engineering in Europe.
