Karlsruhe Institute of Technology (KIT) is granted the “Deutscher Hochschulbaupreis 2016” (2016 German University Construction Award) for the refurbished Mathematics Building on Campus South. The Award in the amount of EUR 15,000 will be handed over by Federal Minister for the Environment, Nature Conservation and Nuclear Safety, Dr. Barbara Hendricks, to the President of KIT, Dr. Holger Hanselka, during the 8<sup>th</sup> Gala of German Science on April 04, 2016 in Berlin in the presence of 300 guests.

[...]

Karlsruhe Institute of Technology (KIT) pools its three core tasks of research, higher education, and innovation in a mission. With about 9,300 employees and 25,000 students, KIT is one of the big institutions of research and higher education in natural sciences and engineering in Europe.
