

Joint Campus Radio Will Go on Air

Students of KIT and Four Other Universities in Karlsruhe Plan Joint Program

At the pulse of the campus: The Karlsruhe inter-university campus radio will start on Wednesday, May 17. (Photo: KIT)

The new Karlsruhe campus radio will go on air next Wednesday, May 17. From 10 am, students of Karlsruhe Institute of Technology (KIT) and four other universities in Karlsruhe will broadcast a joint program in the internet stream (www.campusradio-karlsruhe.de) and on VHF 104.8. The program will cover latest news from the universities and entertaining contributions on studies, career paths, and, of course, they will play all sorts of music - on the radio and other media.

[...]

Karlsruhe Institute of Technology (KIT) pools its three core tasks of research, higher education, and innovation in a mission. With about 9,300 employees and 25,000 students, KIT is one of the big institutions of research and higher education in natural sciences and engineering in Europe.

KIT – The Research University in the Helmholtz Association

Since 2010, the KIT has been certified as a family-friendly university.
