The sixth KIT Career Fair at Karlsruhe Institute of Technology (KIT) will be a central platform to meet potential employers and to establish first contacts for starting a career. From May 15 to 17, 2018, companies will present themselves to students and graduates of KIT and other universities in Karlsruhe at their booths and by short or expert presentations in the tent on the forum of Campus South of KIT (Straße am Forum 1).

**For this, about 9,300 employees cooperate in a broad range of disciplines in natural sciences, engineering sciences, economics, and the humanities and social sciences. KIT prepares its 25,500 students for responsible tasks in society, industry, and science by offering research-based study programs. Innovation efforts at KIT build a bridge between important scientific findings and their application for the benefit of society, economic prosperity, and the preservation of our natural basis of life.**
